

AISU Image/Media Release

We occasionally use media of our students to highlight our school in marketing materials such as fliers, website and banner ads, and other media such as newspapers. This allows us to show an accurate portrayal of student and classroom life on campus. The purpose of this release is for you to decide whether or such media can be used if it includes your student.

I grant AISU the unlimited right to use and/or reproduce photographs*, likeness, video images and/or the voice of my child in any legal manner and for the internal or external promotional and informational activities of the American International School of Utah. I also agree to allow my child to be interviewed and/or photographed* by representatives of the external news media and AISU in relation to any and all coverage of AISU in which he/she is involved. I also agree to allow my child's work and/or photograph* to be published on MyAISU.org and related websites. I further understand that by signing this release, I waive any and all present or future compensation rights to the use of the above stated material(s).

***"Photograph" in this Release Form is intended to only refer to photos of your child alone. Group photographs (two or more children) with no additional identifying information are considered "Directory Information" as allowed by federal government FERPA regulations.*
