

Hello Parents,

A month of school has already gone by and fall is definitely in the air! We'll gladly bid summer goodbye and welcome the fall season. The Cider Social Carnival was a huge success and it was so much fun to watch all your kiddos run from activity to activity with their new friends from kindergarten!

**Week in a Glance:**

This week, we had a very powerful discussion about feelings and how easy they can be hurt. If you hear your child talk about their "Heart Light" it's because we talked about how we all have a heart light inside and it shines brightly when we are kind and peaceful to each other. Our Heart Lights blows out when we hurt others with our words or others hurt us with their words. Listen for your children singing the song, "This Little Light of Mine", its adorable!

**Snack:**

If your child's name begins with the **letter F**, it's your child's turn to donate snack for the week. Please remember that we try to have a low sugar (if possible) snack each day. If you are able, please provide a snack for 54 children for at least 1 day during the week. Please be advised, we do have a child with a serious allergy to Nuts
