

Hello Parents,

It's good to be back in school after spring break. We are so happy everyone came back safe and sound! Everyone seems to be happy and especially healthy.

We are in full swing preparing for next school year. Our AISU 5.0 meeting will be held on April 10th at 3:30 pm and again at 6:00 pm in the Performing Arts Center. We would love to see all of you there during one of the times to hear about any changes happening at AISU for next year or to ask any questions you may have about next year. This would also be a good time to check in with Greg Nelson (the school registrar) to make sure all your information was correctly received to assure your spot for next year. They WILL give away your spot if everything is not properly turned in on time!

We are in the process of placing students in their first grade classes for next year. If you have a teacher preference, please let us know as soon as possible so we can try to accommodate your wishes. Also, if your child has a sibling that is already in a 1-3rd grade class, please let us know if you would prefer to have your student in the same class as their sibling or have them separated.

2018-2019 REGISTRATION: Don't forget to log on to Aspire and update your student's information and sign all 2018-2019 registration forms. Your student's spot may be filled by the lottery process if this is not completed by this Friday, April 6th. Please contact our registrar (greg.nelson@aisutah.org) if you need help logging on to Aspire.

Zoo Field Trip:

We are going to the Zoo on **Monday, April 16th**. If you signed up to chaperone, please remember you need to have a clear background check on file at AISU before you can be a chaperone. You can find the link [here](#) to complete a background check. *Unfortunately*, ALL chaperones will need to pay \$15 (adult price for the zoo) **before** the field trip.

Please donate \$5 for those who have not donated the yearly amount to help pay for this fun event for your child. ALL STUDENTS ATTEND ALL DAY.

We will Depart AISU at 9:30am and return at 2:30pm. If you have not filled out a permission slip, we have attached one below.

Earth Day Creation: April 22nd is Earth Day and we want to celebrate with a class project by creating a "Very Hairy Caterpillar". **We need a few donations** to make this fun creation. **We are asking for; knee high nylon/pantyhose stocking (you can find these at Walmart for under .50), 2 large bags of potting soil and a bag of grass seed.** These are the cutest little spring creations and your kids will love it! We will need these supplies by Monday or Tuesday of next week. Please let us know if you are willing to donate any of these items.

Utah Education and Student of the Year:

We have an opportunity to win \$5,000 to go towards our classroom! All you need to do is nominate one of us kindergarten teachers! You are invited to nominate an educator and/or student with whom you interact that you believe is worthy of recognition. This nomination might lead our kindergarten class to a \$5,000 grant. Please see the below nomination links!

Snack: If your child's name begins with the letter H, it's your child's turn to **donate snack** for the week. Please remember that we try to have a low sugar (if possible) snack each day. If you are able, please provide a snack for 54 children **for at least 1 day** during the week. Please be advised, we do have a child with a serious allergy to Nuts!
