

Hello Parents-

We had a wonderful time on our first field trip!

**This week at a glance:**

In art, the children made 3D art pieces with Ms. Vanessa. This was a continuation of their different types of lines lesson from last week. During music with Mrs. Marsden they continued the art of multitasking while using musical instruments. The children have also begun learning a song and learning to skip along with it. In P.E. with Coach Chelsea the children continued to learn games that require cooperation and listening skills. Our class is absolutely loving the specials each week!

**AISU's New Website:** The school has been working very hard to improve communication throughout the whole school. They have created a new website that is super easy to navigate. Please take a few moments to explore some of the new features. You can access it [here](#) or at [myaisu.org](http://myaisu.org).

**Facebook Parent Page:** AISU has a Facebook page for elementary families. It's a closed group and you need to request to be added. It's called ***AISU Elementary K-5th Parents***. Send in a request and we will add you to the group. We try and post pictures of kids from our class every few weeks and the school will also post reminders of upcoming events. It's another great way to stay connected!

**Snack:**

If your **child's name *begins*** with the **letter E**, it's your child's turn to **donate snack** for the week. Please remember that we try to have a low sugar (if possible) snack each day. If you are able, please provide a snack for 54 children for at *least* 1 day during the week. Please be advised, we do have a child with a serious allergy to Nuts!
