

Dear Parents,

We have had a very busy week preparing for the Celebration of Learning and celebrating Dr. Seuss' birthday with spirit week! Hopefully many of you came to see the amazing art we had displayed throughout our classroom for our Celebration of Learning. We had art displayed from each continent we have studied so far this year. Spirit week was also a huge success! The kids had so much fun each day participating with crazy hair, mix & match, and especially pajama day.

This week, your children practiced several times for our upcoming Code Black Drill. We were so impressed with how well they handled the stressful topic and practice drills. Your children can safely get out of our classroom and in safety position in less than 1 minute. The school wide Code Black Drill is scheduled for sometime next week. We feel confident our class is prepared and ready for the drill. If you have any questions regarding Code Black, please don't hesitate to ask.

Remember.....**NO SCHOOL ON MONDAY!**

Snack: We are still back at the beginning of the alphabet for snack donations. **If your child's name begins with the letter C**, it's your child's turn to **donate snack** for the week. Please remember that we try to have a low sugar (if possible) snack each day. If you are able, please provide a snack for 54 children **for at least 1 day** during the week. Please be advised, we do have a child with a serious allergy to Nuts!

March Birthdays: If your child has a birthday in March and you would like to schedule a Celebration of Life (see attachment below for description) please email us so we can get it scheduled for you.

Upcoming:
