

AISU PE Credit Substitution Application

Application Requirements:

Section 1: AISU Credit Substitution Form

- A. Student Name
- B. AISU course title being requested
- C. Amount of credit being requested

Section 2: Description of non- District coursework being submitted

- A. Course name
- B. Course outline

Section 3: Evidence of Student Work

- A. Samples of student work (workbooks, quizzes, projects, journals, papers, etc)
- B. List of instructional materials used. Include a daily log
- C. Transcripts from non- district institutions
- D. Letter from coach on team letterhead

Section 4: Correlation to Utah State Board of Education Standards

- A. List all strands for each course requested and provide evidence of student competency showing how each strand was met.

Section 5: Additional Information (Optional)

- A. Include such information as: Total hours spent in coursework by student, number of days class was held; instructor name, qualifications/ endorsements, etc.

Any work submitted should match the mandates of the USBE content standards and objectives of course(s) for which credit is being requested. The USBE outline of the core strands for all Physical Education requirements can be found at:

<https://www.schools.utah.gov/file/6192280d-2ab2-4ff1-b5dd-a9c2f95c1b11>

The AISU PE department will determine the level of student competency in relationship to the USBE strands. The committee will decide the amount of credit earned, and make suggestions (if necessary) of additional evidence/ assignments needed to fulfill the measure of the request.

All Credit Substitution requests must be made by April 15 in order to count towards graduation. Work submitted after April 15 will not be accepted.

Adopted March 20, 2018
